IT WORKS! FRACTIONATED COCONUT OIL

ESSENTIAL CARRIER OIL

The holidays are more fun with friends, and this all natural carrier oil is the perfect companion for your It Works! Essential Oils! Simply combine any of your It Works! Essential Oils and It Works! Fractionated Coconut oil for a blend that's perfectly balanced for you!

- Dilutes It Works! Essential Oils to the ideal concentration for your skin without diminishing their natural properties.

- Leaves even the driest skin feeling soft, silky, and smooth.

- Colorless and odorless, it won't alter the fragrance of your essential oils—it enhances them!

INGREDIENTS

Caprylic/ Capric Triglyceride. (Fractionated Coconut Oil / Aceite de Coco Fraccionado)

DIRECTIONS

Mix 1-2 drops of It Works! Essential Oils with 1 teaspoon (5 ml) or more of the carrier oil depending on skin sensitivity and apply with a gentle massage. Avoid lip and eye area.

Caution: Store upright in tightly closed container between 18°C-24°C (65-75°F), protected from light. Keep out of reach of children. For external use only. Not for consumption.

FREQUENTLY ASKED QUESTIONS

What is It Works! Fractionated Coconut Oil?

It Works! Fractionated Coconut Oil is an all-natural carrier oil that can be used to dilute the It Works! Essential Oils to the ideal concentration for your skin without diminishing their natural properties. Colorless and odorless, it won't alter the fragrance of your essential oils—it enhances them! It can also enhance your skin, leaving even the driest skin feeling soft, silky, and smooth. Simply combine any of your It Works! Essential Oils and It Works! Fractionated Coconut Oil for a blend that's perfectly balanced for you!

How do I use It Works! Fractionated Coconut Oil?

It Works! Fractionated Coconut Oil is the perfect companion for when you're applying your It Works! Essential Oils topically. Depending on your skin's sensitivity, dilute your It Works! Essential Oils as needed with It Works! Fractionated Coconut Oil by mixing 1-2 drops of essential oil with 1 teaspoon (5 ml) or more of Fractionated Coconut Oil and apply to skin.

We recommend always patch testing an area of your inner arm first prior to applying topically. If you have sensitive skin, it is recommended to always use the It Works! Fractionated Coconut Oil. Rule of thumb, dilute whenever unsure.

Can I apply the It Works! Essential Oils topically without It Works! Fractionated Coconut Oil?

It Works! Essential Oils are highly concentrated, 100% pure essential oils. Because of their purity, they could cause irritation when applied directly to the skin, especially if your skin is sensitive. As a carrier oil, It Works! Fractionated Coconut Oil ensures that the It Works! Essential Oils are comfortable when applied topically.

Dilute your It Works! Essential Oils as needed with It Works! Fractionated Coconut Oil by mixing 1-2 drops of essential oil with 1 teaspoon (5 ml) or more of Fractionated Coconut Oil and apply with a gentle massage.

If you are going to apply It Works! Essential Oils topically without It Works! Fractionated Coconut Oil, we recommend always testing your skin for sensitivity first. Then simply place 1-2 drops of It Works! Essential Oils on your hands or flex points—the feet, hands, and wrists.

How should I store It Works! Fractionated Coconut Oil?

Store the bottle upright with the lid tightly closed. Always store between 18°C-24°C (65-75°F) and keep out of direct light.

Can I use It Works! Fractionated Coconut Oil on children?

Our products are designed for adult use. Always consult your pediatrician before giving any products to children. Please keep It Works! Fractionated Coconut Oil out of the reach of children. It is for external use only and not for consumption.
